

INTRODUCING WHITE GLOVE IN-HOME DELIVERY

DELIVERED WITH GENUINE **DE JONG** CARE.™

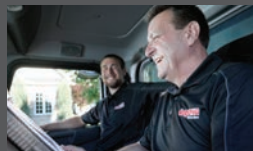

FROM INITIAL PICK UP TO FINAL SET UP, WE ADD GENUINE **DE JONG** CARE.™

Professional, expert handling of fine furniture has been the DE JONG way for 30 years. We are now proud to extend that expertise right to your customer's home with our new White Glove In-Home Delivery Service.

DE JONG assembles the furniture in our QA facility during the 360° process.

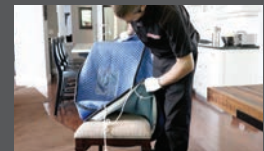

Deliveries are made on time by our friendly White Glove delivery team.

Protecting floors, stairwells and entrance ways is always a priority at DE JONG.

Every step we take inside the customer's home is made with genuine care.

Chair Gloves are just one innovative tool we use to protect your investment.

GENUINE DE JONG CARE™ IS NOW AVAILABLE RIGHT TO YOUR CUSTOMER'S HOME.

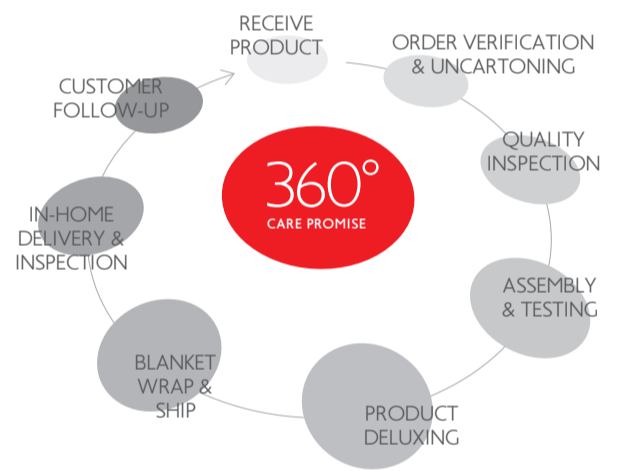

OUR 360° CARE COMMITMENT ENSURES GENUINE **DE JONG CARE™** AT EVERY POINT.

The reputation of your business and brands is important to us. So, when it comes to the final touch with your customer, you can trust our new White Glove In-Home Delivery Service. Our 360° care commitment guarantees your customer's furniture arrives in their home in perfect condition, every time.

Genuine DE JONG Care™ means every detail is looked after to ensure your customers are completely satisfied with their purchase. Other delivery services may reach a customer's door, but our White Glove In-Home Delivery Service goes well beyond delivery. We expertly ship, schedule, deluxe and set up every delivery with detail and care.

Genuine DE JONG Care™ means we will ensure your customer's experience exceeds their expectations. Our professional delivery teams will patiently work with the homeowner to inspect and understand the delivery area, use proper, protective floor coverings and consult with your customer throughout the delivery.

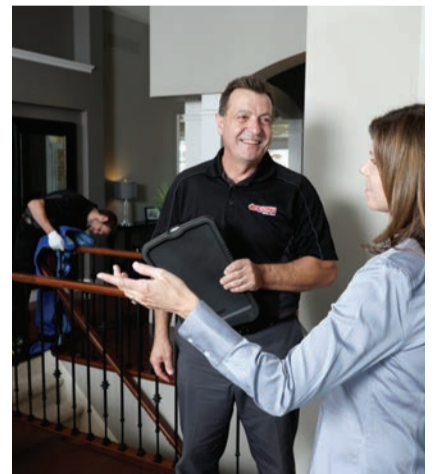

Genuine DE JONG Care™ means we treat every customer with respect and their home like it's our own.

Every delivery is carefully inspected to make sure the customer's new furniture is free of damage.

Any surfaces that touch the floor of the customer's home are covered with felt pads to prevent scratching.

Our professional delivery team will treat your customers like family and show Genuine DE JONG Care™ to exceed their expectations.
